

Set- Dance at Sitges '22

This year we are delighted to announce that two sets have been selected as the SETS of the FESTIVAL '22.

They are the Connemara Set and the Ballyvourney Jig Set. Both are very popular in Ireland and wherever sets are danced. They are both full sets danced by 8 people. However they are also enjoyed as half sets (4 people). The attached videos are half set versions of the Connemara Set (first figure) and the Ballyvourney Jig Set (first three figures danced non stop).

Dancers are Colm Treanor, Sean Treanor, Margaret McCabe and Louise O'Connor. All four of them will be in Sitges leading the dance.

So, if you are interested in being part of the dance community of this year's festival, watch the sets in advance and join in wherever you can over the weekend. You will be made very welcome, even if it's your first time. We really want to celebrate the community spirit of set-dance at this years festival. See you there!
