

PANCHO

Justo Conde (Acoustic guitar, vocals and harmonica)

Cesc Estrada (electric guitar, vocals)

Josep Faraboni (bass)

Miguel Pérez (Pedal Steel guitar)

Hug Salvat (drums)

After seventeen years of Rock n Roll with *Justo and Los Pecadores*, Cesc Estrada and Justo Conde decided to change the direction of their compositions and, without moving too far away from the guitar sound that always marked their progression, they now focus on a broad sound spectrum of American original rock bands. Mixing their own folk compositions, with country and blues touches, this new departure for these versatile musicians, makes a PANCHO gig an entertaining and lively late night event.
